THE OLYMPIC GAMES PARIS 2024

GAMES FOR EVERYONE

In 1924, Paris hosted the Olympic Games, welcoming 3,000 athletes from 44 countries. In the summer of 2024, the Olympic Games will be back in the City of Light. While the motto and values of the Olympic Games have remained the same, the world has changed. Inclusive, sustainable, diverse, the Olympic Games Paris 2024 will be the biggest sport event ever organised in France. From 26 July to 11 August 2024, Paris will be the centre of the world, celebrating 10,500 athletes from 206 countries. With sport competitions held in the most emblematic monuments of the capital and places known throughout the world, these weeks will go down in history, and become memories of a lifetime for all who attend. Paris 2024 will be the first Olympic Games to offer fans from all over the world a revolutionary approach that provides a unique elevated hospitality experience. The Olympic Games are a popular, multicultural festival, a celebration shared with the rest of the world. They represent a new adventure that will embark France on a hospitality experience unlike any other.
